Terrorism rap soldier fed info to neo-Nazis

A US soldier has been charged with terrorism offences for planning a deadly ambush on his unit by sending info to a Satanic neo-Nazi group.

Ethan Melzer, 22, is accused of sending sensitive details about his unit to the Order of Nine Angles.

The US Department of Justice calls it an "occult-based neo-Nazi and racially motivated violent extremist group".

He was planning for information to be passed to jihadists, who would then carry out an attack, but his plan was thwarted late last month by the FBI and the US army.

He was arrested on June 10.

Private Melzer has been charged with conspiring and trying to murder US nationals, conspiring and trying to murder military service members, providing and trying to provide material support to terrorists, and conspiring to murder and maim in a foreign country.

Members of the Order of Nine Angles have admiration for both Nazis, such as Adolf Hitler, and Islamic jihadists like Osama Bin Laden.

Airport stops banner flights

BLACKPOOL Airport has suspended flights pulling banners from its base after the message "White Lives Matter Burnley" was towed by an plane over the Etihad Stadium in Manchester.

Lancashire Police is investigating the banner, which was flown over the football ground during Man City's 5-0 win over Burnley on Monday.

In a statement, manager Stephen Smith said the airport and Blackpool Council are "outraged by this incident", while Burnley are "ashamed and embarrassed" by the banner.

GERMANY GOES BACK INTO LOCKDOWN

CASES: Meat plant

GERMAN authorities in North Rhine-Westphalia are bringing back local lockdown measures after a coronavirus outbreak linked to a meatpacking plant.

More than 1,500 employees of the Tönnies plant have recently tested positive.

State premier Armin Laschet said the "preventative measures" in Gütersloh district, home to about 360,000 people, would last until June 30.

It's the first such move since Germany began lifting lockdown restrictions nationwide in May.

The country has been praised for its response to the crisis, but there are fears infections are now rising again.

Mr Laschet described the outbreak linked to the Tönnies meatpacking factory, south-west of the city of Gütersloh, as the "biggest infection incident" in the country, adding: "We have decided that further measures are necessary."

People are not barred from leaving the area, but Mr Laschet appealed for local residents "not to travel to other districts".

In the Commons yesterday, Boris Johnson said he had no idea why meat processing plants seem to be a hotspot for the virus.

TABLE SERVICE: One condition of pubs reopening

By SUZIE SHELDON
news@sundaysport.co.uk

BOOZERS yesterday raised a glass as PM Boris Johnson declared Britain's "long national hibernation" is coming to an end – and gave pubs the green light to reopen soon.

Pubs, restaurants, hotels and hairdressers can open from July 4 in England, when social distancing rules will be eased.

The Prime Minister said people should remain 2m apart where possible but a "one metre plus" rule will be introduced.

Two households in England will also be able to meet indoors and stay overnight – with social distancing.

However, he warned that all steps were "reversible".

Meeting of households will not be exclusive, but unlike the bubble system people will have to maintain social distance – so family members who live apart could not hug.

Mr Johnson said people will be encouraged to use "mitigation" – such as face coverings and not sitting face-to-face – when within 2m of each other and "where it is possible to keep 2m apart, people should".

The prime minister said: "Our principle is to trust the British public to use their common sense in the full knowledge of the risks, remembering the more we open up, the more vigilant we need to be."

The venues listed as being able to reopen include:

● Pubs, bars and restaurants, but only with a table service indoors, and owners will be asked to keep contact details of customers to help with contact tracing

● Hotels, holiday apartments, campsites and caravan parks, but shared facilities must be cleaned properly

● Theatres and music halls, but they will not be allowed to hold any live performances

Weddings will be allowed to have 30 attendees, and places of worship will be allowed to hold services.

However, in a cruel blow to the manicure community, nail bars will remain shut – as will indoor gyms, discos and swimming pools.

Mr Johnson said that the announcement meant "our long national hibernation is beginning to come to an end".

Labour leader Sir Keir Starmer said he welcomed the statement overall, adding: " I believe the Government is trying to do the right thing and in that I support them".

KILLED: PC Andrew Harper

HERO COP 'DRAGGED FOR A MILE'

Trio go on trial for PC's murder

A BRAVE young police officer was killed "in the line of duty" in "truly shocking circumstances" as he tried to stop three teens stealing a quad bike, a trial has heard.

PC Andrew Harper responded to a reported theft four hours past the end of his shift when his ankles got caught in a tow rope attached to the suspects' getaway car.

He was dragged for more than a mile of winding country road with his uniform gradually stripped from his body.

Such were the extent of the officer's injuries an eyewitness said he thought the suspects were towing a deer carcass behind their vehicle.

The 28-year-old policeman had become dislodged by the time his colleague, PC Andrew Shaw, came across him "barely alive".

PC Harper died at the scene a short time later.

The Old Bailey trial heard Henry Long, 19, drove at an average speed of 42.5mph along the Admoor Lane near Reading, Berks, on the evening of August 15 last year, in such a fashion that the stricken officer was "swung side-to-side like a pendulum in an effort to dislodge him".

Prosecutor Jonathan Laidlaw QC said: "It was a senseless killing of a young police officer in the line of duty, a young man who was doing no more than his job."

Long has admitted the manslaughter of the Thames Valley Police officer, but has denied intending to kill him.

He is on trial for murder, along with Jessie Cole and Albert Bowers, both 18, who were his passengers at the time.

Cole, of Aldermaston, and Bowers and Long, both from Mortimer, Reading, have already admitted conspiring to steal the quad bike.

The trial continues.

Tributes to Reading 3

TRIBUTES have been paid by the "heartbroken" families of three men stabbed to death in a park in Reading, Berks, on Saturday.

James Furlong, David Wails and Joe Ritchie-Bennett died in the attack.

Police continue to question suspect Khairi Saadallah, 25 – who came to the UK from Libya in 2012 – who was arrested under the Terrorism Act.

OVER 50s FATTIES IN DEMENTIA SCARE

PEOPLE in their 50s who are obese have a 31% increased risk of dementia later in life, compared with those of the same age with normal weight, a new study suggests.

Scientists from University College London, who conducted the research, say this risk may be particularly high for women who have abdominal obesity.

The researchers said the findings, published in the *International Journal of Epidemiology*, suggest keeping body mass index under control could play a "significant role" in reducing the risk of dementia.

Senior author on the study Dr Dorina Cadar said: "These findings provide new evidence obesity may have important implications in terms of dementia risk. BMI and waist circumference status should be monitored to avoid metabolic or vascular complications.

"Hence, reducing weight to optimal levels is recommended by adopting healthy and balanced patterns of eating – such as the Mediterranean diet – appropriate physical exercise and reduced alcohol consumption throughout the course of the entire adult life span."

The research team analysed data gathered from more than 6,500 people who were part of the English Longitudinal Study of Ageing, a representative database of over-50s in England which stores information about health, wellbeing and economic circumstances across time.

FAN-TASY: Admirer sent Jade a dildo

LITTLE MIX JADE IN SEX TOY SHOCK

LITTLE Mix babe Jade Thirlwall stunned fans when she waggled a huge vibrator on her TV show.

The singer was enjoying a cook-off alongside Shea Couleé – one of the stars of RuPaul's Drag Race All Stars 5 – when brandished the sex toy.

By GRACE HOOPER
news@sundaysport.co.uk

Her *MTV Served!* series sees the Jade, 27, try to compete with drag queens to cook dinner from a package of mystery ingredients.

Rabbit

As they began, Jade asked Shea: "Have you heard of Mary Berry? Imagine her, but as a savage bitch."

She then whipped out a box, saying: "A fan sent me this in the post the other day and I'm just wondering what it is that I'm supposed to do with it?'

Shea pointed out that the toy was "a Rabbit", a Rampant Rabbit sex toy, but gave no tips as where it should go.

It comes after Jade revealed that she once suffered an accident minutes before going on-stage as she battled tummy troubles during a Little Mix tour.

She confessed: "So I did it. I did a little fart. And then I literally shit myself."

LIZ'S BING SORROW

LIZ Hurley has spoken of her sadness after her ex, Hollywood producer Steve Bing, apparently hurled himself to his death from his 27th-floor flat in Los Angeles.

The actress posted a series of photos of her with Bing on Instagram yesterday, writing: "I am saddened beyond belief that my ex Steve is no longer with us. It is a terrible end.

"In the past year we had become close again. We last spoke on our son's 18th birthday. This is devastating news and I thank everyone for their lovely messages."

Bing, 55, was known for his work on movies including *Kangaroo Jack*, which he co-wrote, and for financing films including *The Polar Express*, which starred Tom Hanks.

He was the father to Liz's son, Damian, 18.

Leicester is top of celeb romps table

BRITAIN'S biggest celeb-shaggers live in LEICESTER, a poll has revealed.

One-in-five men in *Match of the Day* host Gary Lineker's home city claim to have had sex with a famous face.

The East Midlands city is more famous for football's title-winning Foxes team and Walkers Crisps, which Lineker (*above*) is the frontman for in their TV adverts.

But 17% of its fellas said they had bedded a star – leading to Leicester romping ahead of London (10%).

But there was no star snog on the Tyne as blokes in Newcastle drew a complete blank — along with those in Birmingham.

Rebecca Dakin, author of *101 Sex Tips*, said: "The mind boggles at Leicester being such a hotbed of celebrity sex.

"But while a significant number of men from the city claim to have slept with a star, no women admit the same thing.

"I wonder if some people in the poll have embellished the truth a bit?"

Fact me!

CIA turns to stream sites for recruits!

YANK spy chiefs at the CIA have turned to online streaming sites to find their next generation of spook recruits.

At the start of a new advert released by the agency, a CIA officer tells a classroom full of apparent recruits: "It only takes one new piece… of foreign intelligence… and everything can change in an instant.

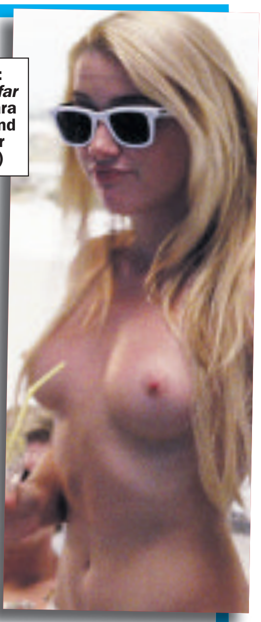
"Start a career at the CIA and do more for your country than you ever dreamed possible," the officer concludes.

The online recruitment campaign was conceived before social distancing measures were needed during the coronavirus pandemic.

The agency typically sought out future spies by targeting college students through "traditional" methods such as job fairs.

As billionaire SpaceX boss Elon Musk denies threeway romps with Cara D and Amber...

THREE'S COMPANY!



PALS: Musk (*far left*) Cara (*left*) and Amber (*right*)

By BRAD CHADWICK
news@sundaysport.co.uk

ELON Musk has denied allegations that he was involved in THREESOMES with his ex Amber Heard and British supermodel Cara Delevingne.

The Tesla billionaire spoke out after astonishing new claims were made in depositions in the defamation case between Heard and her ex-husband Johnny Depp.

It was claimed in legal depositions that Heard, Musk and Delevingne were allegedly involved in a secret three-way relationship in 2016.

Legend

It was also alleged that Heard's affair with SpaceX entrepreneur Musk started before she split with Hollywood legend Depp in May of that year.

But Musk said of the threesome allegations with the model and actress: "Cara and I are friends, but we've never been intimate. She would confirm this.

"Also, I wish to confirm again that Amber and I only started going out about a month after her divorce filing.

"I don't think I was ever even in the vicinity of Amber during their marriage."

But other celebs HAVE admitted to threesomes – and here are just a few…

LADY GAGA

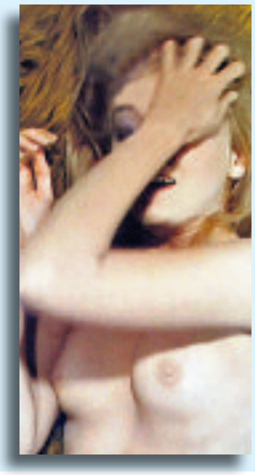
LADY Gaga wouldn't reveal the juicy details, but confirmed to radio show Mojo in the Morning she's participated in a threesome.

She said: "Umm, well I suppose I have, yes.

"I don't want to reveal too much.

"I just can say the truth."

JANE FONDA



JANE wrote in her book *My Life So Far* that she and ex-husband Roger Vadim participated in threesomes.

She said: "Sometimes there were three of us, sometimes more.

"Sometimes it was even I who did the soliciting.

"So adept was I at burying my real feelings and compartmentalising myself that I eventually had myself convinced that I enjoyed it."

AMBER ROSE

FOR Amber Rose, 3-ways just aren't her thing.

She described the encounter on her podcast, *Loveline with Amber Rose*, and said: "We kinda just got together. It was a guy and a girl and it was fking horrible.**

"I hated it, because I feel like I am a very passionate lover and I like that one-on-one passion. With the threesome I felt like there was no passion.

"There was no kissing and rolling around.

"All those moments were not there."

MEL B

THREESOMES were part of Mel B and Stephen Belafonte's relationship, according to Mel B's book *Brutally Honest*.

She wrote: "I don't think it's shameful to like sex, I don't think it's shameful to experiment – as long as it is all consensual."

JAYDA PINKETT SMITH

WHILE opening up on *Red Table Talk*, Jada Pinkett Smith revealed she had experimented with a 3-way when she was "very young" but it wasn't for her.

She added: "I didn't like it. It just didn't have the level of intimacy I wanted. But I tried it once and I was like, 'Well, that's not for me'."

DEMI MOORE

IN her memoir *Inside Out*, Demi revealed that she and now-ex-husband Ashton Kutcher had welcomed a third person into their bedroom.

While addressing Kutcher's alleged infidelity in their marriage, she wrote: "Because we had brought a third party into our relationship, Ashton said that blurred the lines and, to some extent, justified what he'd done."

JENNY MOLLEN

JENNY wrote in her memoir *I Like You Just the Way I Am* that she once hired prostitutes for her husband actor Jason Biggs's birthday.

And Biggs explained: "It took three ladies over the course of three days. Let's just say I didn't complete the mission.

"My wife found the whole thing to be quite hysterical even while it was happening. She was actually on the bed, watching, eating a bag of chips, laughing, so as you can imagine, I wasn't really performing to the best of my abilities.

"Also, said prostitute wasn't engaging with my wife the way I hoped she would, so it fell apart."

Brit COVID deaths fall: it's official

DEATHS involving coronavirus across all age groups in England and Wales either fell or stayed the same for the first week since the pandemic started, the Office for National Statistics said.

In all but one age group where deaths occurred (ages 25-29, where one death was recorded in both weeks), the number of deaths fell in the week ending June 12 compared to the previous seven days.

There were zero deaths recorded in the age groups 0-9 and 15-24 for both the weeks.

And no deaths were recorded in ages 10-14, down from one death the previous week, and ages 30-34, down from three.

It is the first time deaths involving COVID-19 did not rise week-on-week in any age group since numbers started being recorded.

More adults going online at lockdown

BRITISH adults are now spending more than a quarter of their waking lives online thanks to the coronavirus lockdown, a new study by Ofcom says.

The broadcast regulator said its latest Online Nation report for April, at the height of the COVID-19 lockdown in the UK – found adults spent an average of just over four hours a day online.

That figure is up from the 3.5 hours recorded in September last year, with communications services such as TikTok and Zoom seeing unprecedented growth as people search out new ways to stay connected.

The number of Brits on video-sharing app TikTok have more than doubled, from 5.4 million in January to 12.9m in April, and the proportion of UK adults online making video calls doubled during lockdown.

40% in fear of losing job over virus

AROUND 40 percent of workers fear they'll end up losing their job because of coronavirus, rising to two-thirds of those who have been furloughed during UK lockdown, a poll shows.

Researchers also found those with existing financial difficulties were particularly likely to report their mental and physical health had deteriorated during the pandemic.

The study also shows 38% of UK furloughed workers are fairly worried their job will go, and a further 27% are very worried, YouGov's Debt Tracker survey of more than 2,000 people across Britain in May found.

FORMER *Corrie* stunna Michelle Keegan has once more fallen victim to the two crimes of very being very attractive and appearing on the *Daily Mail*'s website.

The 33-year-old actress, most recently seen in the second series of drama-comedy *Brassic* on Sky One, had Instagrammed a photo of herself working out in her home gym.

TONED: Michelle

In the reverse mirror snap, she can be seen in a tight black halter top and snug grey leggings showing off her enviable curves along with her taut and tanned abs.

Many were quick to heap praise on the *Our Girl* star, who's married to ex-*TOWIE* hunk Mark Wright.

They praised her healthy outlook and expressed admiration for Michelle's efforts to stay in shape.

But for some frothing members of the Mail Online community, the sight of Michelle's lithe body in body-hugging apparel appeared too much for them to bear.

House sales drop by half

HALF the number of residential properties were sold in May compared with a year ago, amid coronavirus lockdown measures.

A total of 46,230 property transactions were completed during the month, down 52% on the same month last year, HM Revenue and Customs said.

There was a slight pick-up on the previous month, reflecting the lifting of housing market restrictions in England in mid-May, and estate agents say demand is now high.

Figures show buyer interest is bouncing back, as housing markets in other parts of the UK have begun to open, but commentators say this may be short-lived as a sharp economic downturn puts pressure on spending.

Elle: Funny sex scenes were Great

ELLE Fanning says she struggled to keep a straight face during filming of historical series *The Great*.

Elle, 22 (*above*) plays Russian Empress Catherine the Great – who is rumoured to have died while being shagged by a horse.

And while there's no horse sex in *The Great*, there's tons of steamy scenes involving Elle.

She said: "Catherine the Great, in real life, was the first woman who was slut-shamed.

"I mean, the whole horse rumour was created because she loved sex – she was very open and had multiple lovers. Our story is not a historical document, but sex is incorporated into the show a lot."

But, according to Elle, the hardest part about filming sex scenes with co-star Nicholas Hoult, was keeping her laughter at bay.

She said: "It was hard to keep a straight face – I'd be biting down on a pillow when he's having to thrust and say these lines."

Cops defend £500 fine for loud farting

POLICE have defended fining a man £500 for loudly FARTING when officers stopped him to check his identity.

Cops said the man had deliberately emitted a "massive flatulence" – lifting his backside from a bench he was sat on.

The accused complained of what he called the "disproportionate and unjustified fine" when he gave his account of the events online.

But in a reply to social media comments, police in Vienna, Austria said on Twitter: "Nobody is put on the spot if one slips out by accident."

However, in this case, the police said the man appeared "provocative and uncooperative" and "slightly raised himself from the bench, looked at the officers and patently, in a completely deliberate way, emitted a massive flatulence in their immediate proximity".

ATOMIC BLONDE MOVIE MOGUL ARRESTED OVER RAPE SPREE

DRAMA: Actress Charlize Theron in *Atomic Blonde*

DENIAL: Guillod

A FILM producer has been charged with multiple counts of rape, sexual assault and kidnap of four women.

David Guillod, an executive producer on the Charlize Theron spy drama *Atomic Blonde* and mercenary thriller *Extraction*, is the latest Hollywood mogul to be swept up in the *#MeToo* movement, which led to Harvey Weinstein's 23-year jail sentence for rape and sexual assault in March this year.

By BRAD CHADWICK
news@sundaysport.co.uk

Guillod surrendered to cops in Santa Barbara, Los Angeles, accompanied by his lawyer, after a three-year investigation led to him being charged.

He faces 11 charges for the incidents which span back to 2012, and a maximum sentence of 21 years to life in prison.

Guillod, 53, denies all the charges

"Mr Guillod has been vilified for eight years without being afforded the opportunity to examine under oath his accusers," said lawyer Philip Cohen.

"Justice is rarely swift and often does not come easy, but Mr Guillod very much looks forward to clearing his name in the appropriate forum."

Drugged

Guillod has been publicly accused of sexual assault by *Ted* actress Jessica Barth, who said the producer had drugged her during a 2012 meeting, and reported the allegations the same year.

It was investigated but closed two years later.

Barth was also among many women in the movie industry who were subjected to inappropriate and – in a number of cases – criminal behaviour by convicted rapist and disgraced producer Harvey Weinstein, who is currently serving a 23-year sentence.

Barth went public with her allegation in 2017, in the wake of the *#MeToo* movement.

Guillod stepped down as chief exec of Primal Wave Entertainment soon after.

Men: lose your cat if you want the pussy

MEN who own cats are PUSSIES – according to behaviour experts.

A study by Colorado State University and Boise State University shows a man holding a cat in an online profile pic makes women see him as less masculine, and less datable.

A survey of 700 females aged 18-24 found men holding cats were also viewed as more neurotic.

The study asked participants a series of questions regarding a photo of a man without a cat on attributes including perceived personality, masculinity or femininity and dateability, asking if each participant would consider dating the man in the photo for a short or long term.

The same questions were presented when they showed the same man holding a cat in the photo.

The results showed 38% of women were likely to casually date him, which dropped to 33% for the same man holding a cat.

While 37% would consider a long-term relationship with the man not holding a cat, only 33% would go for the one with a moggy.

WRESTLING STARS WHO'VE GONE X-RATED...

TWO FALLS, TWO SUBMISSIONS... OR A CUMSHOT!

By JAYNE FERGUSON
news@sundaysport.co.uk

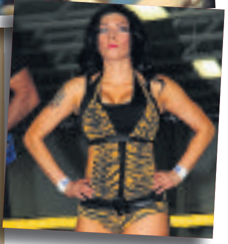
IT was billed as the Greatest Wrestling Match Ever...

Even in the hyped world of wrestling, that was quite a boast.

Millions paid to watch the contest between Edge and Randy Orton earlier this month – and it was a delight for grapple fans.

Live wrestling had not long returned after lockdown.

As it turned out, WWE



SHELLY MARTINEZ

AFTER a short-lived career in WWE, Shelly went on to work for rival outfit TNA.

But she enjoyed much more success away from the ring after becoming a pin-up model and starring in a softcore bondage video named *The Notorious Jewel De'Nyle & Shelly Martinez*.

Martinez would later pose nude for several magazines.

SUNNY

SUNNY, aka Tammy Sytch, was a huge hit with wrestling fans, particularly men, during the 1990s and switched to starring in porn movies after stepping away from the ring.

After her wrestling career nosedived, the once most downloaded person on AOL began posing nude for Missy Hyatt's adult website called "Wrestling Vixxxens".

Sunny then signed a deal to star in an adult film for Vivid Entertainment and angered WWE by wearing her Hall of Fame ring during the movie.

BEULAH McGILLICUTTY

BEST remembered by ECW fans as the gorgeous valet to Raven and the childhood love of Tommy Dreamer.

Despite looking like a real sweetie, her naughty side was revealed when a video of her in another kind of action emerged online.

She later went on to pose in a number of saucy and explicit snaps – but would go on to write and publish a children's book called *Gertrude the Great* in 2012.

GRAPPLE GREATS: Edge *(left)* and Orton

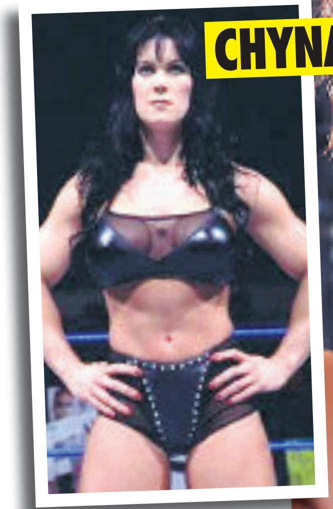
legend Edge reportedly suffered a serious injury as he was defeated by Orton.

Needless to say, both fighters picked up a fat pay cheque for the megafight.

But not all wrestling fans make the big bucks in the ring and a surprising number turn to PORN.

Today we look at some of the more famous ones…

CHYNA



THE late, great Ninth Wonder of the World was rightly inducted into WWE's Hall of Fame.

Following her iconic wrestling career, she decided to do that home-made movie with X-Pac.

After its success, Chyna later starred in a sequel to that and signed a deal with adult film moguls Vivid Video.

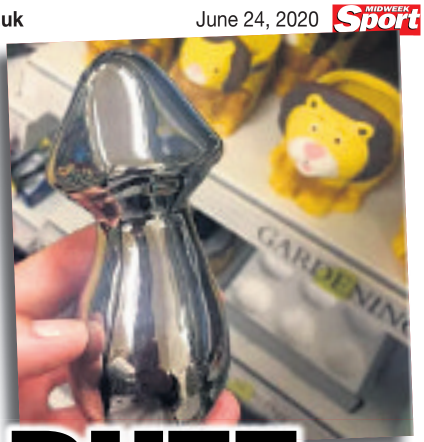
In total she appeared in three films for the company but sadly died in 2016.

CANDICE MICHELLE

AFTER coming through WWE's "Divas Search" programme, the star went on to become hugely popular with fans.

But before her breakthrough in the wrestling business, Candice was an aspiring actress who tried her hand in some B-movies.

Although she never acted in any hardcore films, she did star in softcore productions *Hogtie Heaven* and HBO's *Hotel Erotica*.



GARDEN TOOL: Show this off to family and friends!

BUTT THAT LOOKS JUST LIKE A…

WELL, it looks like it could certainly pound SOMETHING!

By GRACE HOOPER
news@sundaysport.co.uk

A mum who was browsing in her local Poundland came across this garden ornament that looks just like a BUTT PLUG!

The decoration is meant to be a mushroom shape to add to your garden – but people joked it looked more like something that belonged in the bedroom.

Posting on the Extreme Couponing and Bargains UK group, the mum said: 'Amazing bargain in Poundland! … although I couldn't bring myself to buy this mushroom for my daughters fairy garden.. others might.'

Described on the Poundland website as a 'mirrored figures mushroom', they cost £1 each.

Over 10,000 people liked the post and there were lots of comments with people laughing at the joke.

Some commented by asking if it was actually a butt plug, or if the mum had accidentally walked into Ann Summers instead.

One said: "I had a little chuckle to myself when I was in Poundland yesterday after spotting this 'mushroom'.

Another said: "I saw it in my Poundland. They might need to rethink the design. Vivid imagination comes to mind."

A butt plug is a sex toy that is inserted into the anus.

danielle SEDDON

AS lockdown slowly releases its deathly grip on Britain, hot Danielle Seddon can reflect on all she's learned during her three months in confinement.

The sexy 23-year-old from Barnet in north London, said: "Naturally enough, there's been no photoshoots so I had nothing to do.

"I could have loafed about and watched box sets but you can't do that for three months, can you?"

So 32C Danielle used her time wisely and has picked up some new skills.

She said: "I learned how to use a sewing machine – I couldn't stitch on a button before this lot – and also taught myself how to cook.

"I sound like a proper little housewife, don't I? But don't worry, as soon as I'm able, I'll be posing for new topless photos!"

We're all glad to hear it!

WE WANNA HAVE SEX ON THE BEACH!

Almost half of holidaymakers do it in the sand, says survey

By JAYNE FERGUSON
news@sundaysport.co.uk

ALMOST half of holidaymakers have enjoyed sex on the beach during a summer break, according to a new survey.

It was the most popular location for action outside of the bedroom on holiday – followed by a beauty spot, field, park and pool.

Four of ten sun-seekers (42%) have also had a one-night stand while they are away.

And a third (34%) have cheated on their partner while on a trip away with friends.

The most popular occasions for cheating are stag and hen weekends – 25% of men and 22% of women have had a fling while on holiday with friends ahead of a wedding.

Fling

Three-quarters of Brits (76%) are still planning to go on holiday this summer as the restrictions on travel are gradually lifted and new 'air corridors' are planned for popular locations like Spain, France and Greece.

And more than half of singles (54%) said they would love to have a holiday fling while they were away this year.

Only a quarter (24%) would be put off from sleeping with someone they were attracted to by the coronavirus crisis.

The results come from a survey of 2,000 people by IllicitEncounters.com, the UK's leading affairs site.

It found that 82% of people are looking forward to getting away more this year because they need cheering up.

Nine out of ten sun-seekers (92%) said they have MORE sex on hols than while at home because holidays make them more adventurous in the bedroom.

IllicitEncounters.com sex and relationship expert Jessica Leoni said: "I think a lot of us will be enjoying sex on the beach this summer.

"It's the safest place to have fun! Far less risky to do it under the stars than go back to a crowded apartment with lots of other holidaymakers.

"What this survey shows is that the summer of love is most definitely on. We have all gone through the worst crisis of our lives and we need a bit of sex in the sun to de-stress.

"Most people are planning to party like any other summer and won't be shy about jumping into bed with someone they like.

"Lots of people will be cheating on their partners on lads' and girls' breaks away."

Cheating has been booming since the Covid-19 crisis, with a 25% rise in activity at IllicitEncounters.com from people stuck at home in failing relationships.

More than a million people have signed up to IllicitEncounters.com since it was founded 17 years ago.

Coke in boxes? That's bananas!

COCAINE weighing 140kgs and worth millions turned up in boxes of BANANAS at a supermarket chain's stores.

The drugs were found in boxes in several branches of the Coop chain in the Swiss regions of Glarus, St Gallen, Graubünden and Ticino.

They were first found in one banana box which had arrived from Amsterdam, after which Coop outlets across Switzerland were told to check all of their banana deliveries.

The cocaine was not hidden in the fruit, but was placed in the boxes – along with notes for how to find it.

Cops investigating the find suggest the crooks may have made an almighty fk-up.**

BABE STRIPPED KIDNAP VICTIM

A SEXY brunette has been arrested after a two-day hunt over the alleged knifepoint kidnapping of a man who was left naked, bound and tied to a tree.

Ariel Dupuis, 29, was nicked on accusations she helped Ronald Betances, 37, abduct the victim and force him into a car.

The unidentified victim's wallet and mobile phone were stolen and he was "taken to several locations," ending in Derry, New Hampshire, police said in a statement, adding: "The victim was then forced to remove his clothing, had his wrists and feet bound and assaulted before being left tied to a tree."

He eventually freed himself and raised the alarm.

Betances and Dupois (*left*) were charged with kidnapping and robbery and were released on bail to appear in court on July 30, police said.

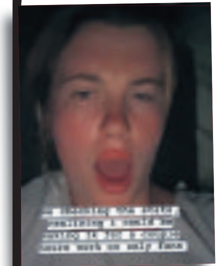
Ireland teases fans with XXX-site gag



By COLIN HURST news@sundaysport.co.uk

SEXY Ireland Baldwin had fans steaming when she made a gag about doing PORN on her Instagram page!

The model took to the social media site to write: "Me checking the stats and realizing I could be making 3k for a couple of hours work on OnlyFans".

The message was accompanied a porny open-mouthed pic of Ireland, the daughter of actors Alec Baldwin and Kim Basinger.

OnlyFans is an internet platform where randy subscribers can pay for XXX-rated snaps of ladies.

A fan said: "I would empty my bank account and take out a second mortgage for a pic of Ireland flicking her bean and maybe diddling her bumhole.

"Of course, I know she's only joking but a guy can dream can't he?"

While she's never done X-rated stuff, Ireland, 24, is no stranger to clothes-off snaps.

A while ago she posed for a set of high-end nude photos which won her a massive fanbase.

She now had 600,000 followers on Instagram which, unfortunately, bans nudity.

Coronavirus drove dad to gun down own wife and son

A MAN who relatives say was depressed over coronavirus shot dead his wife and son.

Smith Rivera, 59 (*above*) is facing two counts of murder and one of attempted murder after confessing to the shooting at his home.

"I shot my wife," Rivera said of his 57-year-old partner, Jodie.

Rivera also admitted to investigators that he gunned down his son Matthew, 21.

The dad-of-three had been depressed due to the ongoing COVID-19 pandemic, his sister told police.

Rivera also fired shots at a second son, but he managed to flee the family's home in Orlando, Florida.

Jodie and Matthew were pronounced dead at the scene, where Smith returned as deputies searched the property.

A box of ammo was found in a bathroom.

AS AMAZON PRIME SCREENS CLASSIC X-RATED MOVIES...

SEX STARS OF THE 70's

By SIMON DEAN simon@sundaysport.co.uk

IT may not have been high art but the Seventies was the high-water mark of the saucy x-rated movie sex romp.

From films starring the iconic Mary Millington to the seaside-postcard bum slapping of the *Confessions...* series, Britain's movie industry pumped out the fun flicks in the Seventies.

The Seventies also saw the birth of the pubes-in-soft-focus classic *Emmanuelle* series, starring the gorgeous Sylvia Kristel.

Now the films are enjoying a revival thanks to Amazon Prime – with a number of 1970s softcore porn slapstick flicks, complete with suitably saucy descriptions, available to buy or rent.

Not everyone is happy, though.

London-born feminist writer Kate Smurthwaite tromboned: "These films routinely present sexual harassment as a 'hilarious joke'.

"There are lots of great shows to choose from that don't resort to this sort of cheap, crass humour."

Well Kate, with the greatest respect, we'll give that a Sid James-style raspberry as we enjoy five pages of crumpet in Sex Stars of the Seventies...

What started as a typical machismo-fuelled row in a Las Vegas nightclub ended with three people dead in the street – one shot, the other two burned alive in the wreckage of their own car...

SLAUGHTER IN SIN CITY

NOT everyone arrives in Las Vegas on a mission to let their hair down in the neon-lit party town's casinos and bars.

By KOURTNEY KENNEDY
news@sundaysport.co.uk

Mum-of-three Sandra Sutton-Wasmund was there on business, having journeyed from her native Oregon.

Sandra, 48, co-owned a dress shop, The Dazzled Dame, and had been in Vegas to attend a trade show with her colleague Debbie Tvedt.

She was a woman beloved by her community, a devoted wife who'd fought breast cancer three times in 10 years.

Pimp

But, as she climbed into a taxi being driven by 62-year-old Michael Boldon, she had no idea it would be the last car ride either of them would ever take.

Over at the upscale Aria resort casino, two men began to row as they waited for their cars in the valet area of the building.

One of the men was self-confessed pimp and known criminal Ammar Harris. The other was aspiring rapper and father-of-three Kenneth Cherry.

After a brief war of words, Kenneth – aka rapper Kenny Clutch – got into his high-powered Maserati and left, accompanied by a friend.

But, amid a screech of wheels and tyre smoke, Harris took off after him in his blacked-out Range Rover along with his girlfriend Yesenia Alfonso.

The two cars jockeyed for position on the highway before Harris wound down his window, pulled out a gun and began firing.

In the melee, Kenneth, 27, was fatally hit, while his pal suffered a gunshot wound to the arm.

The Maserati careered out of control. It sped through the intersection of the Las Vegas Strip and ploughed headlong into the taxi containing Michael and Sandra.

DISPRESPECT: Victim Kenneth Cherry is said to have ingored Ammar Harris

That junction is overlooked by some of Las Vegas's most famous landmarks: the Bellagio, Caesars Palace, Bally's and the Flamingo.

It's also just a stone's throw from where rapper Tupac Shakur was gunned down on the strip in 1995.

After the road inferno instigated by Harris in February 2013, jurors at his murder trial were shown gruesome images of Michael and Sandra's charred bodies.

Meanwhile, the family of Kenneth Cherry – who had no criminal record – said that he was "no gangster", he was just a musician who'd moved to Las Vegas from northern California in order to pursue his dreams as an artist.

Sandra's husband, James Wasmund, said he had not only lost his best friend and wife, but that their three children had lost their mother.

In a statement the family said: "Sandra's innocent and tragic loss will be felt by all those who knew and loved her and by the community at large.

"She always radiated compassion and made everyone a better person.

"Her family appreciates the outpouring of love and support and the respect for privacy shown throughout this very difficult time."

Harrowing

Once the trial was finished and Harris had been handed his death sentence, James added: "We lost a year we don't even remember. Nobody's moved. Nobody's matured.

"We're not doing well but we're trying. I just hope she's proud of us."

In a truly harrowing, foreboding piece of synchronicity, one of Kenneth's lyrics had said: "One mistake changes lives, all in one night."

His mother, Heidi Cherry, brought tears to the jury as she herself wept in the courtroom while trying to explain just what her son meant to her.

She said: "It's tearing me up. I can't sleep, I don't eat.

"I'm a nurse at a trauma centre so every time I hear a siren now… it just tears me up."

Meanwhile Michael's sister, Carolyn Trimble, described her brother as a hard-working petrol head who loved watching IndyCar and NASCAR races.

She said: "Everybody just loved him. When that car hit that cab, Mike had to be in there talking and laughing."

As for the irony that Michael was hit and killed by a gleaming sports car he would have loved to ogle, Carolyn said: "He would be tickled. He'd have said, 'Damn, of all things – a Maserati hit me, took me out like that'.

"I'm just happy he didn't suffer."

In total, five other people were treated for injuries after the six-vehicle crash.

So what was it that had triggered the initial fight between Harris and Kenneth?

No-one knows for sure, but prosecutors suspect it was something as simple as the fact that Kenneth ignored Harris while they were together in the club – a slight which Harris found "disrespectful".

Tragedy

In court,Chief Deputy District Attorney Pamela Weckerly told jurors: "When Harris feels disrespected, other people pay the consequences.

"The tragedy of this case is that three people are dead simply because of his sense of insult."

Psychologists told how Harris had been warped and twisted by a hellish upbringing.

MURDERER: Ammar Harris killed (*below*) Michael Boldon and Sandra Sutton-Wasmund because his feelings were hurt

spent 13 hours talking with him about his life.

She learned that his biological father had left when he was two years old and his stepfather was in prison until Harris was 15.

He lived in poverty throughout childhood, moving often throughout New York and New Jersey, where he saw people being killed in the streets.

He told the psychologist that he'd had suicidal thoughts since the age of six and much of what he'd done in his life had "suicidal undertones".

His mother often whipped him with an electrical cord and left him alone to find food for himself and his sister.

Harris described his childhood as "miserable" and "suffocating".

He also told how he'd been sexually abused by an adult male cousin when he was just seven years old and raped when he was 11.

As a youth he was expelled from school. With no work experience, he inevitably drifted into crime.

In 2004, when he was 18, he was caught with a stolen firearm in South Carolina and spent 10 months in prison.

But there were more serious convictions. In June 2010 he raped a female victim, choking her before stealing $600 from her wallet.

He was found guilty of that before he even stood trial for the Las Vegas murders.

Other women also came forward to tell of Harris's abuse.

Iron

One former girlfriend was attacked on at least three occasions.

She told how she was ironing his shirt when he told her he loved her.

When she refused to reciprocate, he held the hot iron to her face.

Pamela Weckerly, the prosecutor in that case, said: "He repeatedly dropped the iron, only to catch it just before it came into contact with her face.

"The iron was on and she could feel the heat radiating from it."

Harris – who also earned a fortune taking money from women he set to work as prostitutes – later loaded a live round into a revolver, placed the gun against his girlfriend's head and pulled the trigger.

Mercifully, the bullet was in the wrong chamber on that occasion.

Another time, he punched her in the eye after she dared to tell him that he was too drunk to drive.

During his trial, which began in 2015, jurors heard how Harris fled Las Vegas after causing the car crash that killed three people, hiding out in California, before finally handing himself in to police as a fugitive.

In video footage shot from another taxi, passengers can be heard saying: "They're shooting each other right there, see?'

The vehicles accelerate and then more shots are heard.

The passenger then yells: "Oh no!' as a huge fireball erupts.

Deliberate

Prosecutor David Stanton said that Harris was solely responsible for the "premeditated, intentional and deliberate murder" of three people.

And, in October 2015, a jury agreed.

Harris, who's now 32, was found guilty and the judge handed him the death sentence, one which has since been upheld on appeal.

After the sentence Tehran Boldon, Michael's brother, sobbed: "We won today, but it's a bittersweet win.

"My heart hurts. I can't say any more. My heart hurts real bad.

"Still, no more Ammar Harris. That's it, it's a wrap. He's done, he's toast."

Prosecutor David Stanton summed up the feeling, saying: "What happened that night is not an aberration. It is consistent with who Ammar Harris is as an adult."

HERO GRAN, 88, GUNS DOWN BOOZE THIEF

'Don't call me a sweet little old lady!'

By GRACE HOOPER
news@sundaysport.co.uk

WHEN burly thug Ramon Fisher thought 88-year-old off licence owner May Boyce would be a pushover, he tangled with the wrong OAP.

Because as the hoodlum sprinted to the exit of her store with two bottles of whiskey in his thieving mitts, May opened fire with her late mother's .39 Smith and Wesson revolver.

Fisher yelled that he was shot and crashed into a display case of wine bottles that broke open all over the floor.

Now May is back behind the counter at Murfreesboro Road Liquor and Wines in Nashville, Tennessee, after being charged with aggravated assault for the shooting.

Fool

And the gun-toting gran is unrepentant.

She said: "I did what I had to do. I hope word gets out on the street that I'm fed up and I'm not taking it any more.

"You've got to stick up for yourself sometimes. After you've been played for a fool by people stealin' from you for years, you get fed up.

"And don't put me in the category of a sweet little old lady. I know how to take care of myself."

May volunteered to go to the police station when the cops arrived.

She explained: "I got my mugshot taken, got out on bail and came right back to the store.

"I got some people to help me, but it took us to 1am to clean up all the spilled wine."

May works six days a week at the liquor store she's owned since 1994.

"I'm a people person," she said. "I like to work."

She's upset only that the cops confiscated her gun and told her it might be two years before she can get it back.

"I told 'em 'Shit, I might be dead by then'. But the law's the law."

Fisher admitted he was high on drugs at the time of the botched heist.

JUSTIN DUNN'S ROOM 101

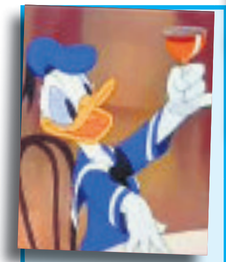
WHAT'S ANNOYING HIM THIS WEEK?

Sign of the times!

JUST as we teeter ever closer to the sweet sound of a pub door finally creaking open after THREE WHOLE SODDING MONTHS of lockdown, they have to throw a spanner in the works.

Come July 4, we are told, we will at last be able to purchase a condensation-cloaked pint of much-missed wife beater and a packet of dry roasted, please, luv.

But – and my fingertips throb with both earnest rage and glum sorrow as I write this – we'll have to SIGN for it, first.



PS. When asked to fill in that form, write "Mr M Mouse, 1 Donald Duck Street, Disneyland".

Our government – a conservative government, no less – is proposing that those of us old enough to vote these supercilious twats in or out, old enough to get shot on behalf of our fellow man, old enough to look after children, old enough to drive tanks, fly planes, bungee jump and visit whorehouses the world over, are to be ordered to submit our vital statistics before our first sip of a chilled Birra Moretti.

Joke

They will insist that anyone seeking blessed refuge inside a glass should, first, hand over their name, address, mobile number and email address.

It's ostensibly so that, should your drinking hole of choice suffer a bout of coronavirus, they can track down everyone else who was in there to see if they've got it, too.

This is really not a joke.

And it reminds me of something bloody awful.

Back in black and white times, when Labour were in charge of stuff – kids, you might have to look this up in between videos of your friends "doing an elephant" on TikTok – us more libertarian types used to refer to them as the nanny state.

They would constantly wag their fingers and faux-conscientiously draw their eyebrows together while sternly telling us what was good or bad for our wellbeing.

It's what the left does, basically. They know best, you see, because they've got an 'ology in David Beckham, or The Beatles, or media studies. Or, even worse, teaching.

Then, the moment we weren't looking, they'd be off variously having affairs, snorting coke, ordering illegal wars, bankrupting the NHS with PFI deals and rogering, quite literally, the shit out of rent boys under the guise of being a washing machine salesman.

Seriously.

It was a bit like being at school, really, except the staff were not always coming up with ingenious ideas about why they should:
a) Not have to ever go to work while...
b) Demanding a ludicrous pay rise for doing nothing nonetheless.

For God's sake, let's just get the bloody pubs open.

After all, without The Winchester, where on earth do we all gather until it all blows over?

Probation officer axed over paying felon for gobjobs

A PROBATION officer is facing charges for allegedly paying for sex with a woman he was supervising.

Joshua Russ, 35 (*above*), was charged with sexual exploitation of an inmate and prostitution.

The female ex-con claims Russ, who was supervising her in the community, paid her for oral sex three or four times.

The case had been referred by the Corrections Department to the Brattleboro Police Department in Vermont, with the state police becoming involved when cops learned of incidents that occurred outside of Brattleboro.

Police said they also reviewed "supporting evidence," including texts between Russ and the female.

Cops said one of the incidents of Russ paying the woman for sex occurred in his vehicle in a parking lot in Brattleboro, and two others occurred in a roadside layby.

Russ has been placed on paid administrative leave.

Sugardaddy's locked up for nude spy vid

A PERVY "Sugardaddy" secretly filmed a naked young woman after paying for her boob job.

Michael Caldwell, 71, told the 22-year-old victim he'd pay for her breast implants if she paid him some more attention.

But when she didn't reciprocate after returning from the overseas op, Caldwell told her she needed to pay him back – and that included partially naked photographs.

Caldwell pleaded guilty to making an intimate visual recording in the Nelson District Court in New Zealand.

One recording showed her naked engaging in sexual activity and another showed her with no clothing on her top half.

A judge referred the case to restorative justice and remanded Caldwell to reappear on August 10.

A TIT IN THE SUGAR

Talking Heads stars in saucy scenes

JODIE COMER – HER BIG CHANCE

MAXINE PEAKE – MISS FOZZARD FINDS HER FEET

By GRACE HOOPER news@sundaysport.co.uk

MUCH-LOVED playwright Alan Bennett's iconic *Talking Heads* is being revived for a new series – and it kicked off last night.

The BBC has brought back the series of dramatic monologues, which first aired back in 1988 and featured the likes of Oscar winner Maggie Smith and the legendary Thora Hird.

Now stars including Jodie Comer, Imelda Staunton, Tamsin Greig, Sarah Lancashire and *The Hobbit* star Martin Freeman will take on the familiar roles.

Bennett has also penned two brand new monologues for the occasion: *The Shrine* and *An Ordinary Woman*.

Leeds-born Bennett, 86, said of the revival: "In such difficult circumstances, that the BBC should choose to remount both series of *Talking Heads*, and produce two entirely new ones, is a comfort and a huge compliment.

"I hope a new generation of actors will get, and give, as much pleasure as we did twenty and thirty years ago."

Oooh, I need a cup of tea mother...

The monologues – with titles such as *A Lady Of Letters* and *A Chip in the Sugar* are typically downbeat, understated and drab – yet are lit up by brilliant acting and writing.

But, if you don't happen to be a fan, here are some of the stars of the new series in some VERY upbeat scenes...

MARTIN FREEMAN – A CHIP IN THE SUGAR

KRISTEN SCOTT THOMAS – THE HAND OF GOD

LESLEY MANVILLE – BED AMONG THE LENTILS

IMELDA STAUNTON – A LADY OF LETTERS

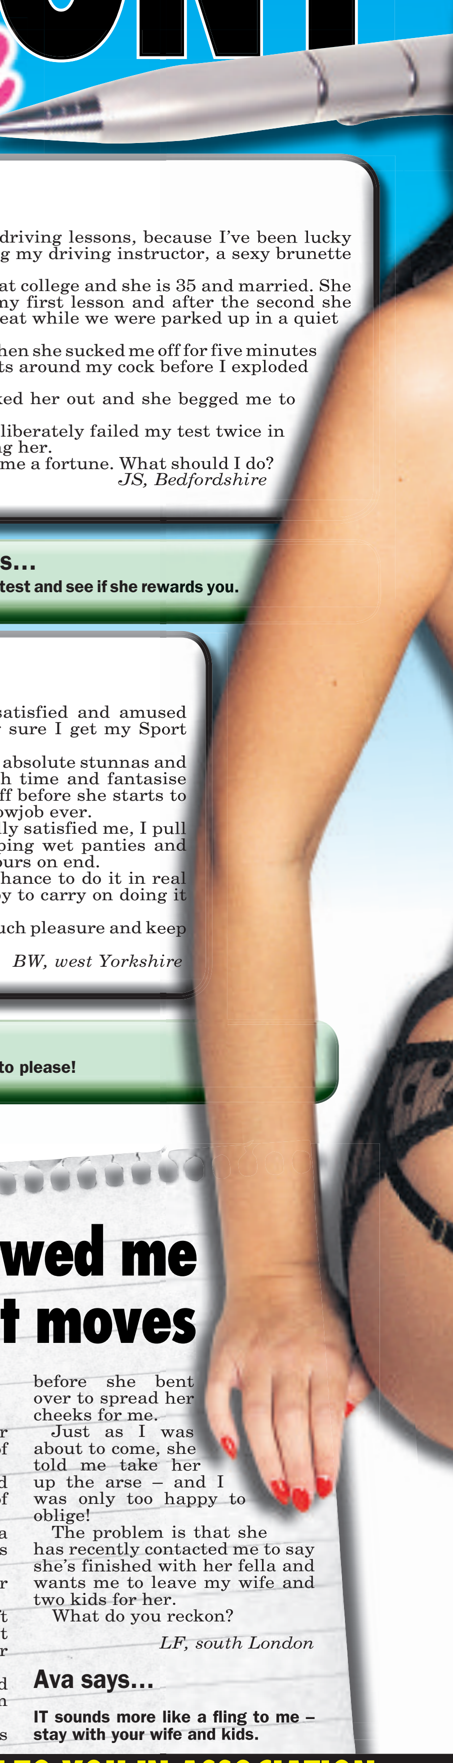
THE WORLD FAMOUS AGONY Page



Dear Ava,

I CAN'T wait to resume my driving lessons, because I've been lucky enough to have been shagging my driving instructor, a sexy brunette lady, before lockdown.

I'm an 18-year-old lad still at college and she is 35 and married. She started flirting with me on my first lesson and after the second she gave me a nosh on the back seat while we were parked up in a quiet country lane.

I couldn't believe my luck when she sucked me off for five minutes and then wrapped her 32D tits around my cock before I exploded all over her.

After my next lesson I licked her out and she begged me to ram her from behind.

The problem is that I've deliberately failed my test twice in the past – so I can keep seeing her.

But the lessons are costing me a fortune. What should I do?

JS, Bedfordshire

Ava says…

PASS your test and see if she rewards you.

Dear Ava,

I'VE been keeping myself satisfied and amused during lockdown by making sure I get my Sport three times a week.

The babes in the paper are absolute stunnas and I choose a different one each time and fantasise about slowly stripping her off before she starts to give me the most sensual blowjob ever.

And then, when she's totally satisfied me, I pull aside the gusset of her sopping wet panties and proceed to lick her out for hours on end.

I know I'll never get the chance to do it in real life, but I'm more than happy to carry on doing it in my imagination.

Thanks for giving me so much pleasure and keep up the good work!

BW, west Yorkshire

Ava says…

WE always aim to please!

Dancer showed me all the right moves

Dear Ava,

I'M a bouncer at a lapdance bar and I've managed to nail a few of the performers over the years!

I've been doing a Polish bird who joined the crew at the end of last year.

She's blonde and has got a perfect body with lovely 32D tits and she's filthy in bed.

The first time I shagged her was in the back of my car.

It was after I gave her a lift home when she said she couldn't invite me inside because her boyfriend was there.

So I drove to a local park and had her on the back seat from behind.

She sucked me off for ages before she bent over to spread her cheeks for me.

Just as I was about to come, she told me take her up the arse – and I was only too happy to oblige!

The problem is that she has recently contacted me to say she's finished with her fella and wants me to leave my wife and two kids for her.

What do you reckon?

LF, south London

Ava says…

IT sounds more like a fling to me – stay with your wife and kids.

Quality DIY skills fixed lonely MILF's problem

Dear Ava,

I'M a single guy of 27 and a few months ago I moved in to a new house.

After just a couple of days, a woman who lives across the road came knocking at my door.

She seemed upset and said her vacuum cleaner had broken and she had no idea how to fix it.

So I got my toolbox and went to have a look.

When we got inside her house, she broke down and told me her husband had walked out on her.

She was in her early 40s and attractive with nice boobs and a lovely round arse.

Saucy

Anyway, I fixed the vacuum and asked if she had any other jobs that needed doing.

She replied that there was a bit of a problem in the bedroom and showed me a wardrobe door which had jammed shut.

I got my screwdriver out and soon had it free.

But as it swung open, a pile of saucy undies tumbled out.

She blushed, but I quickly complimented her on the sexy gear and said cheekily that I bet she looked great in them.

To my surprise and delight, she told me to cover my eyes.

And a few minutes later when I opened them, she was standing in front of me in a basque with stockings, sussies and stilettos.

She wasted no time getting my trousers off and wrapping her lips around my rock-hard cock.

She soon guided my rigid tool into her and slid gently up and down its throbbing length.

After a few minutes I erupted deep inside her as she squealed in delight.

But since then she's blanked me. Do you think I failed to satisfy her?

HW, Suffolk

Ava says…

ASK her if she needs a regular fixing.

Dear Ava,

I'M confused. My previously boring husband has suddenly started paying me loads of attention.

And he's even become a revelation in the bedroom. We've never had so much and so varied sex in all the years we've been together.

He's also produced some saucy sex toys and naughty films – and one evening he even got out a pair of furry handcuffs!

He's also taken to licking me out, which he would never do before, and this brings me off every time.

Do you think something's going on?

KB, Devon

Ava says…

ENJOY it… and hope it lasts!

Sizzling lesbo lust with old school pal

Dear Ava,

I'M a 31-year-old mother of one and the other day I bumped into a girl I'd been at school with.

I hadn't seen her for years, so I invited her back to my place for a coffee and a chat about old times.

The conversation soon turned to sex and she admitted she wasn't getting much satisfaction from her husband. I had to admit I had the same problem.

She smiled and said there was another way. She said she got her kicks not from going with other men, which would mean being unfaithful, but with other women.

The thought had crossed my mind in the past, but I'd never done anything about it.

We undressed and lay on the bed, where we explored each other's naked bodies with our hands and tongues.

Juices

I just loved it when she crouched over my face and parted her pussy lips so I could see up her tight, pink love-tunnel.

I loved it even more when her love juices started to drip down over my face into my mouth.

She at last sat right down on my face, which allowed me to get my tongue deep inside her.

Then I lay back and she pushed three of her long fingers into my sopping pussy, bringing me to a series of mind-blowing orgasms.

After I'd done the same for her, we cuddled and kissed before dressing and going home.

I thought I'd feel guilty, but I don't. Is this normal?

NJ, east Midlands

Ava says…

YES. You have nothing to feel guilty about.

Dear Ava,

I AM a barmaid and I love sex. But now I'm feeling a bit apprehensive about going back to work after what happened a few months ago.

I'm 21 with long, dark hair and most blokes can't take their eyes off my 34Ds.

I am used to being chatted up and had never taken it any further until one of the regulars offered me £20 to suck his cock.

I needed the money, so I gave him a blowjob on my way home.

I must have impressed him, as over the next few weeks several of his mates paid me to give them a gobble.

I was happy with the extra money and was even more delighted when the landlord offered me £600 to be shagged by him and six customers.

On the night of the gang-bang, soon after last orders, the landlord led me to the pool table.

He stripped me and soon I was being shagged by seven blokes in turn.

But they have obviously been bragging about it.

Now everyone knows about it and I can't go anywhere without being called a slag.

What should I do?

KB, Essex

Ava says…

TELL them to get lost – it's your body and you can do what you want.

'A 69-er would be so heavenly, with both of us getting wetter!'

...WITH NICOLE SMITH, 28 32D-26-34 FROM MAIDSTONE

MY favourite sexual fantasy is getting some steamy lesbo action!

Girl-on-girl is my go-to porn to watch.

I've never actually been in a situation to get it on with a woman but it's definitely on my sexual bucket list.

I'm really turned on by curvy women... big peachy bum, huge boobs, thick thighs and a flat stomach.

I like dark hair and girls who look a bit edgy with tattoos.

I fantasise about kissing a hot girl's soft lips, and getting butterflies when she moves her hands over my breasts.

I imagine it would feel amazing for our naked boobs to rub against each other, our nipples getting harder.

And I reckon another woman has to be good at going down – after all, they know what feels good.

A 69-er would be heavenly – both of us getting wetter and wetter as we lick and suck each other's clits, sliding out tongues along the love-lips.

Right, life is too short... I'm going to get myself on to Tinder and make this happen!

MIDWEEK Sport ALWAYS HOME OF TOPLESS BABES

SHE'S more than enough to give any red-blooded gentleman the raging horn.

But it's WOMEN who make Eve Angel purr – as the bi-sexual brunette craves girl-on-girl action between the sheets!

The stunning 31-year-old, who has all-natural 34C boobs, said: "Of course I like having sex with men but I always have stronger orgasms with women.

Lick

"I think it's because a girl knows exactly what to do for another girl – how softly to lick, how to stroke the nipples and how to use your fingers."

Pert Eve, originally from Budapest, Hungary, but now living in swanky Kensington, west London, has put her money where her mouth is, too.

She has starred in X-rated lesbo flicks like ***Inside Peaches, No Boys Here, Just Girls*** and ***Pink Velvet: The Innocence of Lesbian Love***.

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the Sport but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

BEX WHITE

BUSTY Bex White, from Hove, East Sussex, has landed a spot in this week's *Show Me The Honey* thanks to a letter sent in by her biggest fan Marc Gale.

The 31-year-old mature student, from Oldham, said Bex, 30, is his ideal woman.

He said: "Can you print a photo of Bex for me soon? She's from Hove, which is just down the road from where I am studying, but I haven't been lucky enough to catch a glimpse of her, or her 32B knockers, in the flesh yet, sadly!"

VERENA TWIGG

TREE surgeon Richard Thornton holds a candle for Verena Twigg, 32, and he swears it's nothing to do with the Blackburn lass' surname.

Richard, 48, said it's Verena's eye watering 34D bra-busters that do it for him.

Richard, from the Isle of Wight, said: "Verena is drop-dead gorgeous, she's the kind of girl I have been waiting for all my life.

"But a guy like me wouldn't stand a chance with someone as fit as her, so I guess I'll have to make do with a glamour shot of her. Make it a good one!"

KATE JONES

SCAFFOLDER Gary Headley, from Hull,requested this snap of all-natural Kate Jones, 29, from Cardiff.

Gary, 52, told us he always has a copy of *Midweek Sport* to hand in his work van so he can wile away his lunch hour ogling his favourite babes.

Gary said: "In my line of work I often get stuck in my van so I always make sure I have a copy of the *Sport* to hand.

"I always hope to see lovely Kate and her perky little 34Ds in the paper, but it's been bloody ages since you printed a pic of her!"

BABESTATION CAMS

#CAM GIRL OF THE WEEK

JAW-DROPPING stunna Lucie Jones loves dressing up in sexy lingerie and says as soon as she pulls on silk stockings, she's ready for a shag.

Lucie, 20, from Bristol, says that every time she wears really kinky underwear it makes her want to have sex straight away.

The 32E beauty – today's Babestation Cam Girl of the Week – may have posed demurely for this shoot, but she confessed her thoughts in front of the camera were devilish!

Ready

She revealed: "As far as I'm concerned, wearing sexy lingerie means you're getting ready for sex. There's no messing about when you're dressing up in all the gear.

"That means whenever I put some on, I get turned on. I'm like a sexy Pavlov's Dog, I need a good boning right there and then.

"It can be a bit embarrassing on photoshoots – I have to rein myself in or I get far too turned on and I'm liable to pleasure myself!"

LOOKING UP: Bruce

Top ten would be real Brucey bonus for Toon

STEVE Bruce says he can save his Newcastle future — by steering the Toon to a top-half finish in the Premier League.

The Geordie giants are poised to be taken over by a Saudi-led consortium in a much-delayed £300m deal.

All the rumours are that a higher profile coach will be brought to St James's Park with a massive budget for new players.

The likes of former gaffer Rafa Benitez and ex-Juventus chief Max Allegri are being linked with the Magpies.

But Bruce hopes he's doing enough to stay in charge.

He is bettering Benitez's efforts despite having a shoestring budget.

The Toon were in blistering form with their 3-0 win against Sheffield United at the weekend.

And now Bruce wants to keep them in the top half of the table.

Seven more points from the last eight games would top any tally managed by fans' favourite Benitez.

He insists that all the takeover talk is not distracting him from looking after matters on the pitch.

Bruce said: "If I'm being brutally honest, I'm not really interested in it because I can't influence that. I'll hear something when probably you guys hear something.

"My job is just to remain focused and keep taking the club forward, and whatever is best for the club is OK with me.

"But my job at the minute is to make sure that were all focused on one thing, which is finishing the season off well, making sure we're a Premier League club.

"Now we've been given an opportunity to say, 'Can we finish in the top 10?'. That's got to be our challenge. That would be a wonderful achievement, and that's all I'm focused on at the minute."

Ahead of Aston Villa's midweek visit, Newcastle have won three on the spin and have been playing more attacking football.

Bruce added: "I've been delighted with the way we've adapted to the change. We waited a long, long time to get there, so I've been pleased with the way the players have reacted.

"They seem comfortable, which was important, so we've had a decent run. It's not often you win three on the bounce - or two on the bounce in the Premier League - so we've given ourselves a nice platform."

SOLSKJAER BACKS UNDER-FIRE SPANIARD

RISING STAR: Henderson will have to wait his turn for United

HENDO WILL BE UNITED'S NO1

Ole: But he'll have to wait behind De Gea

By PAUL THOMAS

DEAN Henderson WILL be Manchester United's No1 says Ole Gunnar Solskjaer.

But the Reds boss believes David De Gea is still the best keeper in the world.

The Spaniard has been getting stick this season for letting in some goals that he might have saved.

Roy Keane reckons he's the most over-rated stopper on the planet after his poor effort against Tottenham last week.

Meanwhile, United have loaned out Henderson who has been getting race reviews at Sheffield United.

Many pundits think the Reds would be better cashing in on De Gea and putting their faith in the younger man before the 23-year-old looks elsewhere

Solskjaer said: "David is the best goalkeeper in the world.

"He's conceded two goals in the last seven game he's played for us. There's two games against City, Chelsea, of course Tottenham, Everton. Two goals in seven games, we've gone on a run not conceding goals.

"The Everton one is a freak one, maybe. This one, he cannot save it.

"He makes great saves, he wins games for us and I still think he's the best goalkeeper in the world.

"David's working really hard. He's not making errors that you see time and time again. He's been consistently working hard in training and I'm very pleased with his work."

Solskjaer is happy to have a back-up option in Henderson but believes he has a long way to go before he's ready to be Old Trafford No1.

Fantastic

The Norwegian added: "It's a different job to be playing for Sheffield United and for Man United.

"There's different, how do you say, he's got different roles.

"For me, the two years he's had have been fantastic for his development. He's had to play with men, play against men, he's played in the Championship.

"He's played now behind a team that's played fantastic football and exciting football and, as the stats show, he's proven worthy of quite a few points at this stage.

"He's learning all the time. He's a passionate keeper that wants to be the best so he's developing, he's got good coaching there.

"I think one day he'll be England number one and Man United number one and it's up to him to keep developing."

Henderson is likely to be loaned out to the Blades again next season — or head elsewhere.

He won't want to sit on the Man United bench as he bids to overtake Jordan Pickford as England's No1 in time for next summer's postponed Euros.

United can KO blunted Blades

GOAL THREAT: Rashford

FIVE Premier League games this evening and we begin at Old Trafford where Manchester United are a confident tip to beat a Sheffield United side who have failed to score in two games on the road since the end of lockdown.

I appreciate that VAR denied them a goal at Villa Park but Ole Gunnar Solskjaer's side will be desperate to close the gap to two points on Chelsea who currently occupy fifth place in the table.

United dominated a limited Spurs side on Friday but Jose Mourinho's side scored the vital first goal and then sat back and defended very well with Eric Dier outstanding back in the heart of the central defence which looks his best position.

The Blades must do without central defender John Egan whose red card was the catalyst for change at St James's Park on Sunday although once again Chris Wilder's side looked laboured and bereft of creativity.

United have been backed off the boards in recent days and are now a best-priced 1-2 to take all three points.

Paul Pogba is likely to start in the centre of midfield alongside Bruno Fernandez and I am looking forward to watching their partnership flourish.

It will be fascinating to see who of Fred or Scott McTominay are left out? perhaps the United boss will again keep the brilliant Frenchman in reserve.

CharlieMcCann.co.uk
Tips, News and Betting Offers

One thing is for sure and that Pogba and Fernandez will be the first-choice partnership sooner rather than later.

United are 6/4 on the handicap giving the Blades a goal start and that is the recommendation.

Norwich entertain Everton on BBC 1 and Carlo Ancelotti's young side will play a more expansive game on the road than was the case at Goodison against Liverpool on Sunday.

I was extremely disappointed with Jurgen Klopp's side and God knows why he keeps giving playing time to Takumi Minamino who has looked a fish out of water since his January transfer.

I am sure he boosts the Reds profile in Japan, but Alex Oxlade-Chamberlain must have been left scratching his head for the first 45 minutes.

And why was Mo Salah fit enough for the bench but then an unused substitute? Had the Reds been winning 2-0 that is fine but at 0-0 in the Derby he had to get a run out, didn't he?

STRUGGLE: Minamino

Everton to win and both teams to score is 11/4 at Carrow Road and that is the recommendation.

Liverpool will not want to limp to the title with much media attention focussing on City, United and Chelsea since the return.

Crystal Palace are the visitors to Anfield in the late kick-off and Roy Hodgson's side have won their last four games in the PL without conceding a goal.

I feel that will change this evening. Liverpool are 20/21 to win to nil and that is the recommendation.

Bournemouth are better than they showed against Palace at the weekend, but I can't see them getting anything at Molineux. Wolves are 13/8 in the -1 handicap and I expect the hosts to run out two-goal winners.

I'm looking forward to Chelsea v City tomorrow and the 5/6 for Pep Guardiola's side at the Bridge looks fair in what promises to be a hugely entertaining clash.

Let's just hope the thoroughbred that is Phil Foden starts.

EURO STAR: Hodgson

HODGSON DREAMING OF EUROPE FOR EAGLES

By ANDY MILLOM

ROY Hodgson is confident his Crystal Palace side can break into the European places — provided his first 11 stay fit.

The Eagles have won four in a row to move into the Premier League's top ten. It means they go into the next round of matches just two points off a Europa League qualifying spot.

Palace have never played in a major European competition so it would be a massive achievement to pull that off.

Hodgson said: "Should the players be looking at Europe? There's no reason why they shouldn't.

"But I get a little bit bored repeating myself. This is a period of time where you are going to need quite a few players. You need to be able to rotate.

"You're going to need to be able to deal with the injuries that are going to come up. Sometimes not massive injuries but injuries which keep people out of games.

STAR MAN: Wilf Zaha

Lucky

"My only concern for the team is in certain areas of the field we don't have the cover or the amount of players we need to push on and make that concerted effort which will be needed to reach a European place.

"Having said that I've seen Wolves play virtually the same XI for long, long periods of time and, what's more, take on more matches than the rest played.

"So we could be very lucky and if we can keep the 14 or 15 senior players we have fit then I believe we have a chance."

Palace have a tricky visit to Anfield to contend with tonight.

But the Eagles won there are couple of seasons ago and Hodgson goes back to his former club full of confidence.

He said: "There's no doubt Jurgen Klopp and the players would prefer to play in an Anfield with 60,000 spectators roaring them on but I think we've all come to terms with the fact that's not going to happen.

"Nothing changes in terms of the quality Liverpool have, the way they play, their organisation, their determination also to keep going despite having had the league title in their pocket for quite a while."

REDS PLAY IT KOUL

United back in for Napoli defender

By JOHN ANTHONY

MANCHESTER United will be back to Napoli this summer for centre-back Kalidou Koulibaly.

The Red Devils have been linked with the 29-year-old for months and will have one more to secure his services.

United boss Ole Gunnar Solskjaer sees the big stopper as the ideal partner for England’s Harry Maguire. The player is thought to be keen on the switch but Napoli are demanding a ridiculous £90m for a player who turns 30 this summer.

The Reds are prepared to stump up just over half that figure having reportedly had a bid turned down earlier this summer. The problem is that Koulibaly still has three years left on his current contract so there’s no hurry.

Some reports in Italy this week suggest Liverpool are also sniffing around — although spending so much on an ageing player does not fit with the Anfield transfer policy.

They also have England’s Joe Gomez, Dejan Lovren and Joel Matip already fighting to partner their talisman Virgil Van Dijk.

Napoli chief executive Aurelio de Laurentiis said: “I do not even consider an offer of 60 million.

“I do not need money. I see teams with three or four hundred million debt. I do not owe anyone anything.”
